We'll feature your **BEST** Events ... **FREE** on our new website event pages

The new Heritage Island website has an 'Events Calendar' that allows the travel trade and consumers easily see events at our member attractions. They can search by month, by county/city or by seasonal theme. Themes for 2016 are St. Patrick's Week; 1916-2016 Commemorations; Easter 2016; Summer 2016; Halloween 2016, Christmas 2016 and 'Year 2017'.

We cannot feature **ALL your** events, but can feature your TOP PRIORITY events. You can submit any major Events – against THESE 2 Criteria:

- ✔ You can email a maximum of 3 TOP PRIORITY events for 2016. These can be separate to any Christmas events (we will seek the latter separately, later in 2016). You will only benefit if you send us details well in advance of the event, as we target overseas visitors.
- ✔ The events must be your **PRIORITY** events. As you can only send 3 events, if you have lots of events in summer, you could group and highlight them as your 'summer season' events
